Aanii, Shé:kon, Tansi,

Dear Native Community Centre Community, Indigenous Community of Toronto, Members, and Supporters of the Native Canadian Centre of Toronto.

Re: COVID-19 Update – Native Community Centre of Toronto (NCCT) Resources

As the COVID-19 pandemic continues to affect our city and our community, the NCCT will continue providing services and programs as best, and as safely as possible. For up-to-date information on our current programming and supports please feel free to contact the centre at **(416) 964-9087**, visit our website at [www.ncct.on.ca](http://www.ncct.on.ca), or check out our Facebook page **@nativecentre** for updates and live stream programming.

We want to take the time to thank our staff and volunteers who provide support to our community in these difficult times. We commend their bravery and hard work in meeting the needs of our Indigenous community in the GTA. Without their passion and dedication, we would not be able to do what we do. Thank you!

The NCCT is committed to serving the needs of our community members and we look forward to working together with our supporters and funders to meet those needs in the best way possible.

On behalf of the Board, Miigwech and be well!

Lyndsay G. Brisard, President of the Board
