Native Canadian Centre Strikes Out!

by Frances Sanderson

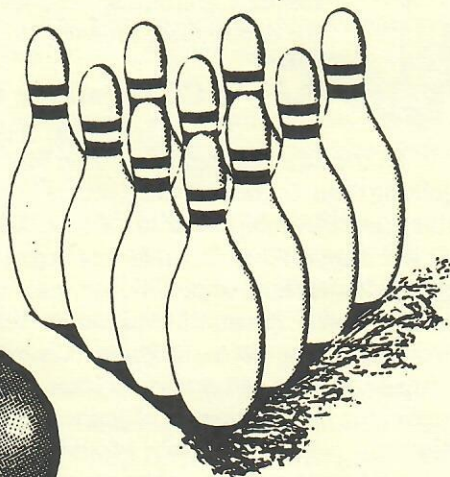

It was Strikes, Spares and Laughter as **The Second Annual Native Canadian Centre of Toronto's Bowl-A-Thon** took place at *Bowlerama Thorncliffe* on Saturday, March 9th, 1996. A total of 42 teams took to the lanes in a successful effort raising in excess of \$13,000.00 ear-marked to go toward the continuation of projects and programs for the community that are conducted throughout the year at the *Native Centre*.

The response was terrific as more than 200 community members came together in a social event to support the *Centre*. A full afternoon of activities was scheduled by the committee and included bowling, food, lucky draws, trophy presentations and topped off with a raffle for a crisp new \$1,000 bill. It was particularly rewarding to watch as elders, youngsters and those in-between took part in an inter-generational event geared to the enjoyment of all. The success of the *Bowl-A-Thon* was due mainly to the participation from local businesses and community members. Each participant was asked to collect personal sponsorship pledges for the event, turn money in at registration and then relax and be part of the festivities. Financial support came from all facets of the

community. It's through the support of community members that the *Native Centre* will continue to be a strong, thriving entity for grassroots involvement and participation. By the way, there are still some pledge forms out in the community and we are anxiously waiting for your money so we can do a final tally. Please help us finish this event. Turn in your pledge money as soon as possible.

The corporate trophy was presented to the *Bank of Nova Scotia* for its on-going support, while individual trophy winners were selected, by committee, for overall grace and dexterity on the lanes. Since most of the individual participants were new to the sport it was deemed unfair to base trophy awards on ability alone, so form and agility were the components used to determine the winners. Those receiving the coveted *Five-pin Awards* were **Mary Fox** for *Style and Grace*, **Lori Waltenbury** for *Determination*, and **Brian Pingey** for being *Fleet of Foot*. *Ten-pin Trophies* went to **Janette Bernard** for *Youthful Enthusiasm*, **George Lammers** for his *Ability to Entertain*, and **Sonya Mergler** for her "*Karen Kain*" moves.

A final note of thanks to the whole *Bowl-A-Thon Fundraising Committee*. You did a fine job and should be commended for outstanding effort: **Joanne Simonetta**, **Mary Fox**, **Susan Ball**, **Christina Northey**, **Richard Cashin**, **Brenda Maracle-O'Toole**, **Lillian McGregor**, **Joe Johnson**, **Andrew McConnell** and **Frances Sanderson**.

My! My! I got a sore ____ ! I never realized there are certain muscles you use when you bowl. In some cases, people's arms get elongated in the process (eh, Brenda?). All the after-effects are worth it. It was so much fun. Imagine, I even won a monstrous trophy for style and grace (ha!) You can count me in for next year. At first, my heart wasn't into this *Bowl-A-Thon*. It was only at the last minute that I went scrambling around for pledges. I would like to say *chi miigwetch* to Sophie, Brian, Pat and Quintina for their assistance. It was fun wasn't it? Will you join me again next year, please, please? It was gratifying to see so many people turn up for the event. It was very successful. There were so many prizes; I wish I won the \$1,000 bill. I have never seen a \$1,000 dollar bill, let alone a thousand dollars in any form. I am quite sure the person who won it must be tickled pink. Let's all do our part for the *Bowl-A-Thon* next year. Believe me, you will have fun.

NCCT Quilting Club Gets Started

By the time you read this, Susan Morris and I will have started a Quilting Club. In the past some people have expressed an interest in quilting and this prompted me to start one. Mind you, I had no idea how to do it so I approached Susan for her expertise and guidance; she is a very knowledgeable resource. She readily accepted and is really enthused about this project. Susan, Chi Miigwetch! This Club will be strictly for fundraising for the *Native Canadian Centre*. Anybody can come and participate, to learn and share your ideas and your time. Of course, we are soliciting for donations of cotton material (lots) both old and new, batting, and 2x4 boards to make a frame. We also need quilting thread, needles, thimbles, scissors, or bring your own to use. Starting on March 18th, the Quilting Club will be held at the Centre on **Mondays and Wednesdays from 1:00 to 4:00 p.m.** If there is enough demand we could also have an evening session. So come and join us. We need all the help we can get.

Dick Family Need Support: Lost Everything to Fire

On March 14th, *Jimmy and Marie Dick* and their five young children (aged 7-13) lost the contents of their home to fire. They managed to escape with only the clothes on their backs. *The Native Canadian Centre* is raising money, food, clothing, furnishings, beds & bedding and household appliances for the family. Cash donations are particularly needed at this time as the family must secure first and last month's rent for a new apartment. Non-perishable food donations would also be greatly appreciated. Jimmy Dick has always given assistance to the community and we know that all the Aboriginal organizations and the community will come together to help him and his family. **The Native Centre, 16 Spadina Rd. is acting as a drop-off station for all donations.** Kindly make your donations to the Jimmy Dick Family "in trust" c/o the Native Canadian Centre. Thank you for your kindness and quick response.

George Brown College Pre-Employment Training at the NCCT

The Six-Week Aboriginal Employment Counselling and Career Planning Program will commence pre-employment training sessions in May of 1996. This program helps people of Aboriginal ancestry to develop an action plan that explores career and education interests, personal strengths and aptitudes, basic employment readiness skills such as interview preparation, writing resumes and cover letters, completing academic and career interest assessments and conducting information interviews through education/work site visits. If you are interested in applying to the next session please leave your name, address and telephone number with the front desk receptionist at the *Native Centre*, 16 Spadina Rd. Applications are also available at the reception desk.

The Art of the Anishnawbek, Three Perspectives

A new exhibition at the *Royal Ontario Museum* features over 40 works by **Ahmoo Angecone, Blake Debassige and Roy Thomas**. Unlike many exhibitions of Native art, which are interpreted by non-Natives, this exhibition is curated and organized by Ahmoo Angecone and defines and presents the works through the perspective of the three Anishnawbe artists. The exhibition opened **March 9th** and will run to **Spring 1997**. Admission (included in ROM admission) is \$8/adults, \$4/seniors, students and children, \$16/family. Info: 416-586-8000.

Native Students Organize Successful Elders' Conference

On March 1st-3rd, Native students held an extremely successful **First Elders Conference and Native Teachings** at the *Native Canadian Centre*. The event was organized by the Native Students Associations of the *University of Toronto*, *Ryerson University*, and *York University* and sponsored by *First Nations House*, and the *Native Canadian Centre of Toronto*. Organizing this conference in a short period of time, proved to be a rich and fruitful experience for the Native students.

The opening ceremonies took place on the Friday evening starting with the drummers and singers of the *Council Fire* youth. **Lillian McGregor** opened with a prayer to get the conference off to a good start. Some opening statements were made by **Nadia Belokopitov** and **Drew Hill** of the *NSA of U. of T.*, **Candy Isaac** of the *York NSA*, and **Darlene Samakese** from *Ryerson*. **Rodney Bobiwash**, *Director of First Nations House*, also shared a few words. This was followed by a feast and social with about 250 people in attendance.

On the Saturday and Sunday, workshops included a discussion by **Jacqui Lavalley** on the *Ojibway Midewiwin Society*, and **Diane Longboat** on *Traditions in Contemporary Education*. **Vera Martin** conducted a workshop called *Healing Ourselves*, and **Bartolo Alveres** introduced us to some aspects of *South American Cultures*. Also, **Curtis and Ronda Hopkins** spoke on the *Sweatlodge in Male and Female Perspectives*, and **Jimmy Groat** talked about *Keeping the Sacred Pipe* (Jimmy, having just become a new papa to Tegan! , see Milestones). Lunches were provided by the *Seniors of Wigwamen Terrace* which also helped them to raise some funds. The food was excellent.

A draw was held with first prize, a Pendleton blanket won by young **Danny George White** of Toronto; young Danny bought over 26 tickets over the two days and he was a great help in selling the tickets too! Second prize, a custom jean jacket by **Carolyn Cote**, went to **Martha Francis** of Keswick, Ontario, and third prize, a dream-catcher, was won by **Rose Logun**. Congratulations to all the winners.

Special thank-yous go to *Aboriginal Voices*, the *Native Women's Resource Centre*, the *Native Men's Residence*, *Council Fire*, and to **Gertie Mai Muise** of *Miziwe Biik Aboriginal Employment and Training*, and **M. Robinson** for your donations of gifts for the Elders. To all the volunteers and students: a very special thank-you for all your efforts at the conference and being Elders' helpers. Without you we would not have made it! Again, on behalf of the *Elders Conference and Native Teachings Organizing Committee*, THANK YOU.

Firebirds Burn Up the Ice

The Toronto Firebirds express their thanks for all of the support they have received from the community and the NCCT. On March 9th, the Firebirds held their raffle draw. The first prize of a beautiful pair of beaver hats went to Mr. Conbright, while Jovan Smileski won the 2nd prize, a painting by Sinclair Sabourin. Two Michael Trapper Memorial Jackets went as third prize to Tomas "Tiger" Wemigwans, and fourth prize to Mr. E. Brier.

The Firebirds have played several intense games in March. Friday, March 8th, the team suffered a very narrow loss to Waswanapi, 5 to 4. Firebirds were leading right up to the last three minutes of play! Then on Saturday, March 9th, the Firebirds were on the ice for two more games. The 11 a.m. game with the Moose Factory Northstars was tied all the way through 3-3. There was a lot of fast skating and rough play with many penalties. Two double shoot-outs were played in sudden-death overtime with the Firebirds missing the shot and the Northstars scoring -- the fans went nuts! At a 5 p.m. game on a smaller rink with Attawapiskat, the T.O 'birds couldn't edge by taking a 4-5 loss. Sorry, we couldn't get that goal in the last five minutes!

REZ ROAD REPORT: SWINGING SUCCESS

by Patricia Turner

Our first **REZ ROAD DRY DANCE** was a wonderful swinging success. Put on with the help of forty hard-working volunteers, their efforts were really rewarded. It was so good to see parents arriving hand-in-hand with their children, seniors from *Wigwamen*, teenagers, and of course our swinging singles all together having fun.

Rockin' Rick, our D-J and his daughter **Andrea**, kept the dance hopping and going strong. The dance floor was packed all night. There were all kinds of spot dances and special dances for the kids with music from the *Lion King*. It was especially fun to watch the kids.

Donnie Tabobodung, our artist volunteer, worked for days painting our backdrops which included gluing and painting a very authentic-looking outhouse! Six-foot-three **Sam McLeod** and five-four **Denise Bolduc** looked very appealing in their mini-skirted black-and-white maid outfits. They were busy selling popcorn and pop.

Marie Toulouse and **Sinclair Sabourin** were on Cloud-9 as they each won \$100 on the Nevada ticket. The 50/50 draw was won by **Gertie Restoule** from Nippissing. Some of the spot-dance winners were **Dennis**

Pennase who donated his prize back, eight-year-old **Jennifer Lau**, senior **Willie McLeod**, **Dae Fawn Assinewe**, and four-year-old **Matthew Turner** won the "freeze" dance.

We had a great evening; thank you *Pedahbun* for sending your people, members of *Birds of a Feather*, seniors from *Wigwamen* and all of you who supported the *Native Canadian Centre* with this event.

*We'll see you at the
Rez Road Two!*
